Commissioner for Patents

P.O. Box 1450

Alexandria, VA 22313-1450

RENEWED PETITION UNDER 37 CFR 1.137(b)

On 14 January 2011, the Office of Petitions dismissed Applicants' Petition to Revive the above-identified patent application. The Petitions Examiner explained what was missing (an RCE only) and this was confirmed and explained in the course of a telephone conversation between the undersigned attorney and Ms. Wise on 25 January 2011.

The Petition dismissal stated that a "grantable petition...must be accompanied by: (1) the required reply," and at the end of that paragraph is the statement: "The instant petition lacks item (1)." That is not accurate since a "Response to Office Action" was filed together with the Petition with the same claims as submitted on 28 May 2009, with essentially the same arguments. Accordingly, accompanying this Renewal of Petition are the following:

- 1) A Request for Continued Examination (RCE);
- 2) The previously submitted Amendment;

- 3) Request for a Different Examiner; and
- 4) The RCE fee.

The Office is authorized to charge deposit account number 020460 for any fees not already paid or accounted for. It is understood that there is no fee for renewal of the petition for revival.

Respectfully submitted,
Stephan BLICKER et al.
